

Camp Jernee Journal

Summer
2007

Volume 3
Issue 2

Flagpole was definitely a highlight of week 2. Each morning our trip on the "SS Jernee" began with amazing flagpole fun and games. On Monday, campers had to use a "dolphin squirter" to melt an "Alka Seltzer tablet off of their counselor's head. A high-energy dance contest got us all moving and grooving on Tuesday. On Wednesday, our specialists competed to see who could be the first one to untangle and put on a t-shirt. Oh, did we mention that the shirt was frozen solid and hard as a rock? On Thursday we were treated to more Silly Human Tricks. (How do our campers learn these things?) And on Friday, we had a camp wide Limbo contest. Cassidy, from the Explores, got as low as she could go and won!

Another highlight of the week was our Calypso Beach Party. Although we had to hold it indoors, games like Hot Coconut, Musical Beach Towels, Ring Around the Watermelon, Tacky Tourist Relay and Ulu Maika, (a traditional outdoor game from Hawaii), were all big hits.

In addition to our Beach Party, we visited other ports of call during Hobby Hour. Our chefs baked Jamaican Banana Bread as well as baklava (they were on a Mediterranean cruise). Our Dance Hobby Hour campers learned how to hula dance and our gamers learned the Hawaiian board game of Konane, which is played like checkers.

Next week is all about everything "Wild and Wacky! We have a dress -up day on Wednesday for all of our campers and staff. How silly can you come dressed?

Wednesday night is our "Family Night at Camp". All campers who are registered for any weeks of the summer and their families are invited to join us for a mini day at camp. We will be starting our evening at 6:00 pm with Flagpole, just like the one that starts each of our camp days. The rest of the evening will be filled with arts and crafts, games and dinner. Also, be prepared to get wet because we will be playing in a "Foam Pit"! We will finish our "day of camp" at Friendship Circle. Attached you will find an RSVP form. Please fill it out and send it back to camp by Tuesday or email us at info@campjernee.com.

We only have a few spots remaining for the next couple of weeks. If you are interested in having your camper come additional weeks, please let us know as we will be opening the spots up for people who are not yet registered.

Have a wonderful weekend,

Bonnee and Jerry

Upcoming Events
