Volume 3
Issue 3

Wild and Wacky week was just that.... wild and wacky! Our week was filled with slipping and sliding, Family Night, Wacky Dress Up Day, our annual "Not So Fearful Fear Factor", and much, much more!

The campers just couldn't get enough of the giant inflatable Slip and Slide. "Ice Cream Muffins" had our campers wondering how we could use a frozen ingredient in our baking. Nature was really wacky. We made erupting geysers out of soda and candy. One of our special events this week was our "Not So Fearful Fear Factor". Campers tested their bravery by playing "Condiment Twister (a Twister board covered in red ketchup, blue jelly, yellow mustard and green relish)", fishing for rubber worms inside of buckets cereal, and dueling with chocolate pudding. And that's just a small sample of our wonderfully wild and wacky week!

Of course the highlight of our week was our Family Night. With nearly 200 campers and family members joining us, we had a great night of dinner, Gaga Ball, Monkey Soccer, Arts and Crafts, Baggo and everyone's favorite, the Foam Pit! Flagpole and Friendship Circle were the perfect beginning and end to our evening of fun. Mark your calendars for July 17th because you won't want to miss the fun of our next night of family entertainment.

Next week we are going to go back in time to the days of the Flintstones and the little town of Bedrock. Wednesday will be our "Prehistoric" dress-up day, so have your camper come as his/her favorite cave person!

Please remember to send a swimsuit everyday with your camper, even if they are not swimming. Many times we have special events (such as Fear Factor) where we have the children in their swimsuits so we can hose them down when they are finished. We also change the schedule due to special events and weather, so if your child comes in late, they still may not have missed swim.

A few of our groups are now closed in certain weeks so please let us know if you will be adding camp weeks for your campers

Have a wonderful weekend.

Bonnee & Jerry

Upcoming Events

Week 4: June 25 - 29

Back To Bedrock

June 26: Palm Tree Waterslide
