

Camp Jernee Journal

Summer
2007

Volume 3
Issue 4

This week we definitely had a Yabba Dabba Doo Time as we went "Back to Bedrock". Some of our week's highlights included The Palm Tree Water Slide, building and painting wood models of dinosaurs in Arts & Crafts, Wiffleball, Balloon Foosball, Bocce Ball and Soccer in Sports, making our own fossils in Nature and much more. In addition, we had a great dress-up day filled with all of the Flintstones, Rubbles and their Cavemen and Cavewomen friends! We could definitely have cast our own Geico commercial.

On Thursday, we were all surprised to learn that "dinosaur eggs" had been discovered all around the clubhouse! We had a great time hunting for the eggs and breaking them open to discover our dinosaurs inside.

Camp has been so much fun and we have been taking hundreds of pictures. Please sign on to www.campjernee.com and go to our Sunset Lakes Summer Camp Photo Album to see all of the excitement. We apologize for the delay in displaying the Week 3 pictures. They will be posted this weekend. Week 4 pictures will also be posted this weekend. If you do not have a user id and password, please email us at info@campjernee.com and we will be happy to give you one.

Next week we will be celebrating "A Holiday Everyday". On Tuesday we will be having our Annual Independence Day Celebration complete with a BBQ and a day of fantastic waterplay! Campers do not have to bring their lunch! Wednesday will be a day off of camp for July 4th. But, we plan of making up our missed time together because on Thursday we will be having our Camper Late Night. All week 5 campers are invited to stay at camp until 7:30 pm. We have an evening of fun and games planned as well as dinner followed by the World's Biggest Ice Cream Sundae Bar. We will be sending home "participation slips" on Monday. Please return them to us on Tuesday.

We have been having a great summer and Camp is filling up quickly. We have several weeks with only a few spots remaining. Some weeks in certain age groups are already closed out. Please let us know if you are interested in adding on weeks. Unfortunately we have already turned people away for those closed out groups and want to make sure that we can accommodate your child. Don't delay in contacting us about future weeks.

Have a great weekend,

Bonnee & Jerry

Upcoming Events
