What could be better than celebrating holidays all year long? How about celebrating a year's worth of holidays all in one week!

Camp Jernee's July 4th celebration was awesome! An old fashioned bbq set the mood for a great day of good food, fun and games and great friends. A wonderful time was had by all as we spent our morning sliding down the "Three Ways Up" slide. Even the weather cooperated and we were able to be outside the entire time.

We came back to camp after our day off and celebrated "Chinese New Year". We made an authentic New Year's Pudding made of coconut. Coconut symbolizes unity for the Chinese family. We also created patterns using a traditional Chinese puzzle called "Tangrams." We ended our celebration with our Camper Late Night. Campers and staff had a great time having a late afternoon swim followed by a camp-wide sing a long. Pizza and an ice cream sundae bar rounded out another fabulous day at camp.

Friday was another fun day with Hobby Hour and Fishing as highlights.

Next week we are going out to the wilderness with our "Great Outdoors" week. Some of our plans include cooking on the grill, the "Jaws" waterslide and our annual "Lumber Jack" Challenge.

A few of our groups are now closed in certain weeks so please let us know if you will be adding camp weeks for your campers.

Have a wonderful weekend,

Bonnee and Jerry
