“What a Wonderful World” was a wonderful name for this wonderful week at our wonderful camp! We took the opportunity this week to have many discussions with the campers about all the things and people that make this world a great place to live and what they can do to make it even better. Some of our activities focused on our environment and our everyday heroes.

We spent a great evening with some of our favorite heroes, our parents. Thank you to everyone who joined us at Family Game Night. Over 175 people spent the evening playing some of the camper’s favorite games. Mancala, Nok Hockey, Uno and Connect Four now are some favorite games of our parents too! After a couple of hours of fun and food, the evening ended with a high-spirited BINGO game.

We were all entertained at our Camper Talent Show. Dancers, singers, actors, artist, musicians and magicians were just a few of the great acts that gave award-winning performances. Who knew that there could be so much talent in one camp?

Next week we are going to take a trip “Around the World in 5 Days”. Some of our plans include a trip down the Rainbow Water Slide, baking “Mini Blinnis and our International Food and Fashion Festival!

Our “Back To School Supply Drive” is going great, but we still need more items. Thank you to the families who made donations to us this week. Many parents have asked us if gift cards are accepted. YES they are. We have already taken a few of them to Wal-Mart and purchased many needed items. We know that the Children’s Home Society and Amigos For Kids are going to put the supplies to very good use. We will be collecting until the end of next week. While you are out shopping this weekend, please think about the children that these two wonderful local organizations service.

We still have 3 fun filled weeks of summer! If you would like to extend your camper/s camp fun please let us know as soon as possible.
